Subject: Greetings From Florida

Hello There,

I hope you are well and work going on well.

I decided to come back due to family commitments. Victor went back to his piloting profession. We are currently in Florida and will go to Texas where Victor will do some flight tests before we head back to the UK where we will be based.

I would like to take this opportunity to thank you for your great ideas and achievements. Most of all I admire your endurance and patience in holding on to the program when we experienced difficult times.

I was honoured to have had a chance to work with you. I appreciated your honesty and positive criticism. This I must tell you contributed a lot to the team.

I wish you well at work and in your future.

Please keep in touch.

Sincerely

Lynn Ngugi
